### 71. Trees

MG informed the meeting that she had received an e-mail from Barbara Collier TDBC asking if she should put in an order for 25 more apple trees for the coming planting season. It was agreed that MG should ask if these could be mulberry, medlar and nuts rather than apples.

### 72. Licence (65)

MG reported that she had heard from Stephen Cuthill regarding the Licence and passed round copies of his suggested document – hereinafter called Management Agreement. She drew attention to items which she felt needed amendment and/or alteration 2.7, 4.3, 3.7, 3.13, 4.3, 4.5, 4.6, 4.11, 5.4, 5.12 and the schedule. RC agreed to ask Ben Conway (solicitor) to look at the document and to make suggestions, after which it would be returned to MG for onward transmission to SC.

### 73. Totem Pole

MG told the meeting that Barbara Collier had asked if the Community Orchard would like a Totem Pole on site. After discussion it was agreed to ask if a seat could be made for the Orchard as it was felt that would be more appropriate to the site.
